

## Directions to La Bastide from the A8

Our address is 61 Chemin du Collet de Bigarel - however please don't use this actual address on your GPS, as it will take you via an impossibly small road!

Instead, use the following address: **695 Chemin de Bigarel, Montauroux** - this is the house just before the left hand turn from Chemin de Bigarel into Chemin du Collet de Bigarel.

- If coming from Nice Airport, the drive should take no more than 40 mins in normal traffic conditions. From Junction 39 on the A8, (signposted Les Adrets, Fayence) follow the signs for Montauroux.
- This will take you on the D37 around Lac St Cassien for about 12 km.
- When you come to the first roundabout after the lake, DO NOT take the road signposted Montauroux, but take the 3rd exit signposted D562, towards Draguignan.
- At the next roundabout, go straight over, following the D562 for another 400m.
- You will pass a BNP bank on your right, and a shop "Halle des Chaussures" on your left. At the next roundabout (the one with the small bridge in the middle) take the first exit to the right, opposite the "Pompes Funebres" on the left. (If you pass a Total petrol station on your right, you have gone too far by about 150m).
- Follow this road for about 400 m and then take a small fork to the left, signposted Chemin St Michel (blue signpost), with an "8t" limitation sign. Continue on Chemin St Michel uphill for about 2.5km. It is relatively narrow, with several blind corners. Note that the road name changes from Chemin St Michel to Chemin de Bigarel about 600m along the way.
- When you pass a house on the right hand side with a lion on the gatepost (at about 2km mark), you are getting close. When you get to #695, just before the road goes steeply uphill there is a left turn into Chemin du Collet de Bigarel. Turn left, and La Bastide is the first house on the left with a big iron gate. You have arrived!
